MEMORANDUM FOR: Director of Central Intelligence

25X1

VIA: Deputy Director of Central Intelligence

FROM: Lieutenant General Edward J. Heinz, USAF
Director, Intelligence Community Staff

25X1

SUBJECT: Inclusion of FBI Security Program in the
National Foreign Intelligence Program [redacted]

25X1

1. Action Requested: That you sign the attached memorandum to the Director, Federal Bureau of Investigation (FBI), approving the inclusion of the FBI Security Program in the National Foreign Intelligence Program (NFIP).
[redacted]

2. Background: The reference to the memorandum for your signature requests that I approve the inclusion of the FBI Security Program in the NFIP, and states the reasons for the request. Informal liaison indicates that the idea is supported by the Foreign Counterintelligence Program, and is seen by it as advantageous both programmatically and in the competition for resources within the Bureau. As a courtesy to the Office of Management and Budget (OMB), we sought their approval through the appropriate OMB examiners. Their adamant refusal and our efforts to gain their approval have delayed our response. OMB examiners remain opposed but have agreed that it is too minor to raise to the policy level in their agency. [redacted]

3. Program transfers of this nature are not unusual, and normally one of this limited resource magnitude would not warrant your attention. I am forwarding this one to you because I am sure that you are interested, and I recommend that you approve FBI's request. [redacted]

MEMORANDUM FOR: The Honorable William S. Sessions
Director, Federal Bureau of Investigation

SUBJECT: Inclusion of FBI Security Program in the
National Foreign Intelligence Program

STAT

REFERENCE: Your memorandum, same subject, dated 13 August 1987

My staff has reviewed your request to include the FBI Security Program in the National Foreign Intelligence Program (NFIP), as forwarded to the Director, Intelligence Community Staff in the reference memorandum. The Security Program is very important to the NFIP's counterintelligence mission, and would make an even greater contribution if it were made a part of the NFIP. Accordingly, I approve your request. The transfer is retroactively effective as of 1 October 1987.

/signed/

William H. Webster
